Subject: Award of Short Term Research Studentship for the year 2008

Dear Sir/Madam,

This has reference to your letter/endorsement on the Short Term Research Studentship application of your student submitted to the Council for the year 2008.

The Director-General, ICMR sanctions to Afia Mirza the award of Short Term Research Studentship on a stipend of Rs.2500/- (fixed) per month for a period of two months during the vacation of your college to work on the research project entitled Role of Sodium in Diabetic Status (Effect of Sodium Restriction on Diabetic Status under your guidance

If the work involves human subjects then a clearance from the Institutional Ethics Committee (IEC) must be obtained along with an informed consent from the subjects recruited for the study. Kindly note that the studies involving human biological materials / retrospective analysis of records/ surveys also require clearance from IEC. If the work involves use of animals then a clearance must be obtained from the Institutional Animal Ethics Committee (IAEC). The date on which he/she joins the studentship may please be intimated to this office.

On completion of the studentship a report of the actual work carried out by the student may please be submitted alongwith the proforma of report and bill duly signed by the Guide and forwarded by Head of Institute or Principal of Medical College. The report must have an Introduction, Review of Literature, Aims and Objectives, Material and Methods, Observations and Results, Discussion, Conclusions & Bibliography and must be submitted within 30 days from the date of completion of the tenure of the studentship. Any delay in report submission must be accompanied by an intimation to the Council along with adequate reasons. Without appropriate clearances from IEC/IAEC the report will not be accepted. Last date for receipt of report in the prescribed format is 15th December 2008.

The Council has initiated this programme to provide opportunity to undergraduate medical students to familiarize themselves with research techniques, methodology and also with preparing reports. It is expected that the Guides provide ample support and guidance to the student in their endeavour. Further information is available at ICMR website www.icmr.nic.in.

Yours faithfully,
